

About the Route

- Productivity ranks 3 of 7 in passengers per revenue hour.
- One-way loop in Turlock adds travel time and makes the route indirect
- Ridership on the segment from Downtown Transit Center to Modesto Junior College is low and duplicates other routes
- Route 15 and the Turlock-Modesto Shuttle duplicate service in the area
- Weekday only-service

Public Comments

- Sunday service between Turlock and Modesto on either Route 10 or 15

Opportunities

- Streamline service in Turlock to directly serve the Walter K. Fall Transit Center, and treat as a commuter service
- As an intercity connector route, it can provide trips on weekends if demand warrants

Proposed Changes

- Where it goes: Route would become an intercity service with only stops at the Turlock Transit Center and the Modesto Transit Center.
- When it runs: Add weekend service
- How often it runs: No change
- Other changes: Improve reliability

Route 10
